

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to offering top quality and new design concepts in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They enjoy providing products that energize both their partners and their dealers and provide production gains to their clients.

The TREK team of employees likes new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' needs and skills along with their comprehension of cleaning applications, along with owners' strong desire to dramatically lower expense through productivity gains.

When considered necessary, the personnel within TREK and its numerous dealer members in both technical support and parts will be accessible. Amongst their core values is their high service commitment in their customer service. Keeping their customers' cleaning machinery ready and running day by day is top priority. The company's top of the line technology delivers reliable equipment which ultimately lowers your cost of cleaning. The price, the service and the product all work as one to make them the leader in the industry.
