Advance-Nilfisk Parts - Imagine how long and tiresome it would actually be to clean-up after a party, with no help from equipment. Previously, the dust from carpets and upholstery had to be beat out of them manually; brooms, brushes and cleaning cloths were the leading cleaning products during that time.

The man who established Nilfisk-Advance, P.A. Fisker, started out as an electrical engineer who liked to work on electrical motors. After establishing his company during the year 1906, he began to produce motors to drive fans, machine tools, drills and coffee grinders. Mr. Fisker's dream from the beginning was to have an international business marketing merchandise internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented a incredible, ground breaking vacuum cleaner which can be operated by a single person in view of the fact that it just weighed 17.5 kilos! This creation came in a time where various cleaning machines were massive and required at least 4 operators, thus, the Nilfisk C1 changed everything and developed the manner we clean forever. The mastermind behind these very first cleaning machines remains unparalleled. Cleaning machines offer an excellent solution to an ongoing crisis; stuff get filthy and need to be cleaned regularly, without a lot of effort.

Slowly, the company Nilfisk-Advance expanded throughout the years. In the the early part of the 1980's the business grew more rapidly when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance forward within the business, aiming to be an active global player in making professional cleaning machines. Nilfisk-Advance is currently found in every part of the globe by gradually acquiring numerous smaller companies in order to develop their product range and presence in new markets. They are really proud to provide various cleaning solutions to fit every requirement.
